AND HEARING
No. AF 01-024**

April 23, 2001

I. Introduction

This Notice of Proposed Administrative Fine and Hearing is issued by the Department of Environmental Services, Waste Management Division (the Division) to GRJH, Inc., pursuant to RSA 146-C:10-a and Env-C 601.05. The Division is proposing that a fine totaling \$4,800 be imposed against GRJH, Inc. for the violations alleged below. **This notice contains important procedural information. Please read the entire notice carefully.**

II. Parties

1. The Department of Environmental Services, Waste Management Division, is an administrative agency of the State of New Hampshire, having its principal office at 6 Hazen Drive, Concord, NH.
2. GRJH, Inc. is a New Hampshire corporation having a mailing address of PO Box 728, Sharon, CT 06069. GRJH, Inc. is the successor in interest to Peterson Petroleum of New Hampshire.

III. Summary of Facts and Law Supporting Claim(s)

1. RSA 146-C authorizes the Department of Environmental Services (DES) to regulate underground storage tank (UST) facilities. Pursuant to RSA 146-C:9, the Commissioner of DES has adopted rules to implement this regulatory program (Env-Wm 1401, effective April 22, 1997, which superseded Env-Ws 411 effective September 17, 1985 through November 1, 1990 and Env-Ws 411 effective November 2, 1990 through April 21, 1997).
2. RSA 146-C:10-a authorizes the Commissioner of DES to impose administrative fines of up to \$2,000 per offense for violations of RSA 146-C, including any rule adopted pursuant thereto. Pursuant to RSA 146-C:10-a, I, the Commissioner has adopted Env-C 607 to establish the schedule of fines for such violations.

3. GRJH, Inc. is the owner of one gasoline UST system at the Schrader Site, Route 16, Conway, NH further identified as UST #0-113102 (the Facility).
4. The Facility is subject to the requirements of RSA 146-C and the rules adopted pursuant to that chapter.
5. Env-Wm 1401.30(b) requires automatic line leak detectors to be tested annually to confirm that they are operating according to manufacturer s recommendations, and requires the owner to submit the test results to the Division no later than 30 days after the date of the test.
6. Division records reflect that no line leak detector test results for the Facility have been received for the years 1997 through 1999.
7. RSA 146-C:4, I, prohibits any person from operating a UST facility without a permit to operate from the Division. Env-Wm 1401.07(b) requires the owner of a UST facility to apply to the Division for a permit to operate. Each permit to operate has a five-year term.
8. The prior permit to operate expired in April 1999. Division records reflect that the current permit to operate for the Facility was not applied for until November 16, 2000.

IV. Violations Alleged

1. GRJH, Inc. has violated Env-Wm 1401.30(b) in each of the years 1997 through 1999 by failing to provide annual automatic line leak detector test results for the one UST system at the Facility to the Division within 30 days of the date of the test.
2. GRJH, Inc. has violated Env-Wm 1401.07(b) by failing to timely apply to the Division for a permit to operate the Facility.

V. Proposed Administrative Fines

1. For the violation identified in IV.1. above, Env-C 607.03(j) specifies a fine of \$1,000 per system per requirement not met. For the violation noted above in each of the three years 1997 through 1999, the Division is seeking a total fine of \$3,000.
2. For the violations identified in IV. 2. above, Env-C 607.02(d) specifies a fine of \$100 for each calendar month or portion thereof the fee is not paid. For the violations noted above, the Division is seeking a fine of \$1,800 for the 18 calendar months May 1999 through October 2000.

The total fine being sought is \$4,800.

If GRJH, Inc. wishes to have a hearing but is unable to send an authorized representative to the hearing as scheduled, GRJH, Inc. must notify Mr. Ballentine at least one week in advance of the hearing and request that the hearing be rescheduled. If GRJH, Inc. does not notify Mr. Ballentine in advance and does not have an authorized representative attend the hearing, the hearing will be conducted anyway in accordance with Env-C 204.09.

Proving something by a preponderance of the evidence means that it is **more likely than not** that the thing sought to be proved is true.
